

Murrumbeena Football Netball Club

Partnership Guide 2022

In 2022, Murrumbeena Football Netball Club will support over 150 players get out on the park across 3 men's football teams, 3 netball teams and 1 women's football team.

The club has come through the COVID years in a strong place. The majority of our list has stayed together after a tough 2021. We have retained the young players recruited last year and strengthened them with some experienced players. We have players returning to the club and there is a strong vibe for a big 2022.

Our supporter base has grown in a tough year and sponsorship gives you the chance to embed your brand in our local community and beyond.

In 2022 we open our new Grandstand which will be a new beginning for the club and there will be additional promotion opportunities that exceed social media.

Platinum - Partnership Opportunities

As the needs of every organisation are different, we want to listen to what is important to you and build a unique partnership package to meet your requirements.

Together we will develop a platform to create meaningful leverage activities designed to cement your relationship with our community.

The Committee is looking forward to working with you to ensure your support is reciprocated by the Beena sporting community

The strength of our club relies on the generosity and support of our sponsors.
